RE: Import Agreement (TLLRWDC #2-0431-00)
Condition Removal Letter #2

Dear Mr. Coleman:

Pursuant to the condition expressed as a part of Article II.J of your Import Agreement Amendment (TLLRWDC #2-0431-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission, I have received as an attachment to an email dated January 7, 2025 export authorization from the Southwestern Low-Level Radioactive Waste Commission. This satisfies the requirement to provide written evidence satisfactory to the Commission of the approval for the export of out-of-compact waste from the Southwest Compact.

Therefore, you are authorized as of the date of your receipt of this communication to import from PG&E Diablo Canyon to the Compact Facility in Andrews County, Texas such low-level radioactive waste as described in Article II.J. of your Import Agreement (TLLRWDC #2-0431-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

Signed by:

Brandon T. Hurley
